

## Keep It Real

Let's keep it real  
(Real, real, keepin' it real)  
Yeah, keep it real  
(Real, real, let's keep it real)

I saw this red-faced dude on TV just the other night.  
He was shriekin' that taxes in Wisconsin were out of sight.  
But when you look at the numbers, the numbers don't lie.  
We're not spending any more than the other guys.

Let's keep it real, etc.
