* If you didn't have a child living with you, but you are a worker between the ages of 25 and 64 and earned less than $15,570 (or $21,370 for a married couple), you are probably eligible for a smaller credit – up to $529.

** The credit begins phasing out at $200,000 for parents filing separately and at $400,000 for married couples filing jointly

*** The income limits for the state and federal Earned Income Credit are $5,790 higher for married couples filing jointly.
